## Bucks County School Districts Kindergarten Registration

<b>Documents required for Kindergarten Registration</b>	
<b>Proof of Child's Age:</b>	Usually the birth certificate, but passport or baptismal certificate may be accepted
<b>Immunization Records:</b>	Obtained from the child's doctor, a list of required vaccinations are available from the school district or on their website
<b>Social Security Card/ Number:</b>	Often needed for the application, sometimes required by the district
<b>Proof of Residency:</b>	1) Districts require copies of the lease for families renting and a deed, mortgage, or tax bill for home owners
	2) Depending on the district, two to four additional proofs of residency are required, including a photo ID with the address of the parent/guardian

Many school districts now have online applications and downloadable information kits. Online registration is followed by interviews and testing at the district or school before a student is accepted.

**MAKE SURE TO CONTACT THE SCHOOL DISTRICT OR ACCESS THEIR WEBSITES TO FIND OUT WHEN REGISTRATION BEGINS.** Some schools have specific dates (Central Bucks--October 29, 2018 for the 2019-20 school year), others have mass registration (Pennridge--March 2019), most have registration dates in February and March.
