

Butterfly Room Activities

Hi butterfly room! I hope everyone is staying healthy and safe during this time. I truly miss everyone and hope that this will all be over very soon. I know it's been hard staying home so here are some activities I have put together that you can do as a family! At the end I will also attach some awesome websites you can visit as well!

1. Flower egg cartons

For this activity you guys can make your own flowers out of egg cartons and straws! Cut up the egg carton into sections of 4's. Next decorate the egg carton however you choose! Finally add a straw at the end for a stem and enjoy your beautiful flower!!

2. Fuzzy rainbow science experiment

<https://www.messylittlemonster.com/2019/02/rainbow-baking-soda-science-experiment-for-kids.html?m=1>

This activity will be super fun to learn colors and science at the same time!!

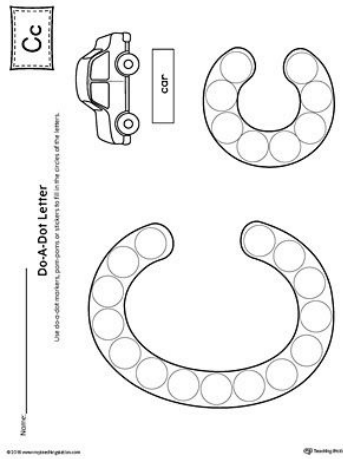

c is for Cookie

hands on
letter recognition
activity

3. Letter Cc cookies

Since our letter of the month is Cc I challenge you guys to make the letter C out of cookies! If you decide to do this I would love to see what you guys come up with!

4. Letter Cc dot art

<https://www.myteachingstation.com/reading/alphabet/letter-c-do-a-dot-worksheet>

Here is a free printable to a letter Cc dot art page for our letter of the month!

5. Toilet paper Bunnies

Since I know you guys probably have stocked up on your toilet paper, save the rolls!:) you can use them to make these really cute Easter bunnies! You will need 3 or more rolls and some paint! If you guys do not have paint use glue and add glitter.

6. Making Rain Science Experiment

MAKING RAIN

science experiment

<https://www.mrsjonescreationstation.com/simple-science-how-clouds-make-rain/>

All you need for this fun activity is shaving cream, blue food coloring, a glass, and water! You get to create your own rainstorm!

7. Here are some websites that are awesome for learning and playing!
